Under-graduate podiatric medical education and under-graduate medical education – poles apart?

Judith Barbaro-Brown, Teaching Fellow, University of Durham

Developing the Diabetes Specialist Podiatry Workforce to Meet the Demands of the 21st Century

Joanne McCardle, Diabetes Specialist Podiatrist, Royal Infirmary Edinburgh

B3 FACULTY OF MANAGEMENT

Social Enterprise. An appropriate model for future provision of publicly funded podiatry services?

Professor Wesley Vernon, Head of Podiatry Services, Sheffield Primary Care Trust and Visiting Professor, Staffordshire University

Socio-historical contexts: Informing the future of podiatry in the Anglophone world

Dr. Alan Borthwick, School of Health Professions & Rehabilitation Sciences, University of Southampton

B4 PRIVATE PRACTICE

The society web site and how best to use it

Mariangela Federico and Ms Nita Palma, Society of Chiropodists & Podiatrists

B5 ELECTRO SURGERY WORKSHOP

****FULLY BOOKED****

Dr Richard Turner, Consultant Dermatologist, Oxford and Steve Brymill, Brymill Cryogenic Systems UK

B6 FACULTY OF SURGERY RESEARCH PAPERS

Variation in Readability of two Foot Surgery Outcome Questionnaires

James WD Alvey, Trainee Podiatric Surgeon, Lambeth PCT

The Keller operation with interpositional silicone rod. Does it improve outcomes?

Keith Gibbard, Consultant Podiatric Surgeon

1st MP joint replacement. Outcomes with 3 different prosthetics

Tom Galloway, Consultant Podiatric Surgeon

Plantar plate repair for dorsally subluxed lesser metatarsophalangeal joints

Mark Tagoe, Consultant Podiatrist, West Middlesex University Hospital, Isleworth

The Newark Neuroma. A new diagnosis in forefoot pain

Andrew Naismith, Consultant Podiatric Surgeon

An evaluation of the long term effects of Total Plantar Fasciotomy

Jo Tweed, Kensington and Chelsea PCT

- The Use of Extrenal Fixation in treating deformities of the foot and ankle**
Dr. Howard Kimmel, Louis Stokes Department of Veterans Affairs
- B7 & B8** **WHAT NOT TO WEAR": AVOIDING MISFITS BETWEEN DESIGNS AND ANALYSIS – A GUIDE FOR PRACTITIONERS AND RESEARCHERS**
Anthony Redmond; Farina Hashmi, Kate Springett
- B9** **CANCELLED**
- 4.50** **PLENARY SESSION**
Interactive case conference – a challenging diagnosis
Foot pain of musculoskeletal origin
 An opportunity to participate in diagnosis and treatment decisions
Inam Haq, Rheumatologist, Senior Lecturer Medical Education, Karen Walker-Bone, Senior Lecturer (Honorary Consultant) in Rheumatology and Clinical Academic Sub Dean, Brighton and Sussex Medical School and Simon Otter, Conference Chair
- 5.50** **Fellowship awards**
- 6.00** *Exhibitor's wine reception*
- 7.30** *Quiz Night*

Friday 24 October

- 08.15** **FRINGE MEETINGS**
Meet the council
- Nike Fun Run**
- HSA Satellite Meeting: What if podiatry treatment was affordable to more people?**
Facilitator: Ingrid Wakefield, HSA 
- 08.30** *Registration, exhibition and poster viewing*
- 09.30** **PLENARY SESSION**
International Keynote: The Charcot Foot
Dr Robert Frykberg, Associate Chair of Podiatry, Chief of Podiatric Medicine and Surgery, Phoenix, Arizona, USA
- 10.00** **Keynote: Surgical management of the infected foot**
Frank Webb, Podiatric Consultant, Hope Hospital, Salford
- 10.30** **Mental Capacity Act 2005**
David Thornicroft, IMPACT Health and Social Care Training
- 11.00** *Refreshments, exhibition and poster viewing*
- 11.50-12.50** **CONCURRENT SESSIONS C**
- C1** **DIABETES**
We take a drug history so what! – prescribing and more
Louise Stuart, Consultant Podiatrist Manchester PCT
Screening diabetic feet – a Scottish experience
Duncan Stang, Podiatrist and National Diabetes Foot Co-ordinator for Scotland
Let's look at some feet – interactive case histories
Neil Baker, Diabetes Specialist and Research Podiatrist, Ipswich Hospital NHS Trust
- C2** **SHORT PAPERS – GENERAL PRACTICE**
Applying the triage process to manage a podiatry waiting list for Rheumatology patients
Robert Field, Bournemouth & Poole TPCT
Bone marrow oedema changes: a possible precursor to Osteoarthritis in the ankle
Jill Halstead, University of Leeds
Sagittal motion of the Medial Longitudinal Arch in Plantar Heel Pain Syndrome
Dr Scott Wearing, University of Strathclyde

Topical phenytoin and healing in diabetic foot wounds: results of a pilot study

Julia Shaw, Royal Victoria Hospital

Acral Lentiginous Melanoma of the foot. A review of 26 cases

Ivan Bristow, University of Southampton

Criteria for the recognition of healthy footwear: An expert group approach

Professor Wesley Vernon, Head of Podiatry Services, Sheffield Primary Care Trust and Visiting Professor, Staffordshire University

C3

FACULTY OF MANAGEMENT

Managing podiatry services the Deming Way

Professor Wesley Vernon, Head of Podiatry Services, Sheffield Primary Care Trust and Visiting Professor, Staffordshire University

Does podiatry treatment work? An audit using outcome measures to assess the effectiveness of three areas of podiatry care

Andrew Barnes, Team Lead Podiatrist, Barnsley PCT

Podiatry's Cultural Web: The power of the scalpel...

David A Wylie, Head of Podiatric Services, NHS Greater Glasgow and Clyde

C4

HOMEOPATHIC PODIATRY AND CLINICAL DEMONSTRATION

Tariq Khan, Consultant and Specialist in Homeopathic Podiatry, Royal London

Homeopathic Hospital, Jane Podiatrist, Calderdale and Huddersfield NHS Foundation Trust,

Mansoor Butt, Homeopathic Registrar in Podiatry, Royal London Homeopathic Hospital,

Penny Waters, Podiatrist, Northgate Podiatry and Lorraine Epicheff

C5

PHARMACOLOGY WORKSHOP

Rosie Furner, Clinical Pharmacy Manager, East Sussex NHS Trust, Railton Scott, Senior

Lecturer, University of Brighton and Alice Conway, Lead Pharmacist Education and

Development, Brighton and Sussex University Hospital Trust

C6

FACULTY OF SURGERY – CORE LECTURES FOR SURGICAL TRAINEES

Antibiotic Prophylaxis in Podiatric Surgery

Rebekah Ward, Podiatric Specialist Registrar

Two week re-dressings post foot surgery. Is it safe, appropriate and justified?

Andrew MacFarlane, Consultant Podiatric Surgeon

The development and evaluation of a DVT Risk Assessment Tool for podiatric surgery

Review of 1000 cases of foot surgery

Stuart Metcalfe, Solihull NHS Care Trust

Regional anaesthesia for day case foot surgery

Joseph Olivelle MSc, Podiatric Surgical Trainee, Solihull PCT

C7

FOOTWEAR

Prescription footwear in the UK: A preliminary study of service provision

Sue Coles, Lead Podiatrist Rheumatology and Rehabilitation, Northampton General Hospital

Fitting the feet or the head? The role of footwear in foot health

Anita Williams, Senior Lecturer, Directorate of Podiatry and Centre for Rehabilitation and Human Performance Research, University of Salford

C8

CPD/HPC SESSION

New perspectives on CPD: Putting the development back into CPD

Mike Potter, Dean of Faculty of Podiatric Medicine and General Practice and Dr Wilfred

Foxe, Director of Education and Development, Society of Chiropodists & Podiatrists

C9

DROP IN ADVICE SESSION - RESEARCH. SEARCHING LITERATURE ONLINE

Alison Blake, Anthony Redmond; Farina Hashmi, Kate Springett and Ian Mathieson

12.50

Lunch, exhibition and manned poster session

2.15-3.15

CONCURRENT SESSIONS D

D1

RHEUMATOLOGY

Standards of Care

Anita Williams, Senior Lecturer, University of Salford

Current concepts in Rheumatology

Sarah Hailwood, Consultant Rheumatologist, Royal Victoria Hospital

Patient Pathways

Ailsa Bosworth, Chief Executive National Rheumatoid Arthritis Society /Joint Chair of the Rheumatology Futures Project Group, and Tony Redmond, Trustee, Arthritis and

- Musculoskeletal Alliance*
- D2 CANCELLED**
- D3 DERMATOLOGY WORKSHOP: CASE STUDIES IN FOOT DERMATOLOGY**
Ivan Bristow, University of Southampton and Farina Hashmi, University of Brighton
- D4 PRIVATE PRACTICE**
Step into the World of Cosmetic Podiatry
Ben Walsh, Podiatrist, Rustington Therapy Centre
- D5 FOOTWEAR WORKSHOP (repeat of A6)**
Improving fit and function
Jane McAdam, Principal Podiatrist, Biomechanics, Orthotics and Footwear, Salford PCT and Hope Hospital and Martin Nunn, Podiatry Services Manager, Hotter Comfort Concept
- D6 FACULTY OF SURGERY EDUCATIONAL PROGRAMME**
Consent
Anthony Waddington, Podiatric Specialist Registrar
Management of non-union
Dale Halford, Consultant Podiatric Surgeon, County Durham PCT, Bingley
Interpositional Arthroplasty 1st MTP Joint
Jason Hargrave, Consultant Podiatric Surgeon
The primus implant in hallux rigidus
Julian Pavier Consultant Podiatric Surgeon
- D7 VAC THERAPY WORKSHOP**
Liz Pendry and Melanie Doxford, Diabetic Foot Practitioners, Kings College Hospital
- D8 CASTING WORKSHOP - SOFT CAST SLIPPER**
Pat Radcliffe, Advanced Technical Services Coordinator, 3M Immobilisation Products
- D9 CPD/HPC SESSION**
Online CPD: The Collaboration between the Society and OnExamination
Dr Steve Davies, Consultant Endocrinologist, University Hospital of Wales Cardiff and Dr Wilfred Foxe, Education Officer, Society of Chiropodists & Podiatrists

3.15 Refreshments and exhibition and poster viewing

4.15-5.15 PLENARY SESSION
State of the Art Lecture – Developments in Vascular Surgery
Nick Cheshire, Professor of Vascular Surgery, Associate Medical Director, Imperial College Healthcare NHS Trust

5.30 FRINGE MEETINGS
Health and Safety Representatives Meeting
Health & Safety Panel
Capacity planning model for podiatry services
Professor Jackie Campbell with Concentra
Make learning happen with Union Learn
Judith Swift, Liz Salem and Megan Gwyther
Job shop & careers forum for students
Simon Otter, Conference Chair, Bev Durrant, Suzy Taylor, and Jason Rendell, Private Practitioner/Lecturer University of Brighton, Michael Wilding

8.00 Conference party, Bournemouth Pavilion

Saturday 25 October

- 08.15 FRINGE MEETINGS**
- Nike Fun Run**
- Diabetic Footcare**
Emma Howard, Podiatry Team Leader (Diabetes) and Sarah Bone, Diabetes Research and Wellness Foundation
- HSA Satellite Meeting: What if podiatry treatment was affordable to more people?**
(Repeat of session on Friday at 8.15am)

Facilitator: Ingrid Wakefield, HSA 

08.30 *Refreshments, registration and exhibition*

9.30-10.45 **PARALLEL SESSIONS**

1) SPORTS MEDICINE

Foot & Ankle Trauma in Sport

Dr Nat Padhiar, Consultant Podiatric Surgeon & Honorary Senior Lecturer, Barts & The London Trust, Tower Hamlets PCT & Queen Mary, University of London

Tendon injuries

Dr Cathy Speed, Consultant in Rheumatology and Director, Sports Medicine UK

Podiatric management of sports injuries

Sophie Cox, Private practitioner

2) PRIVATE PRACTICE

Managing a Practice in a Difficult Economic Environment

Chris Swaffin-Smith

3) ORTHOTIC TECHNICIANS AND FOOTCARE ASSISTANTS

CAD/CAM

Rob Solley, Podiatry Orthotic Technician, Queen Victoria Memorial Hospital

Wound Care Management

Speaker tbc

Trade

Speaker tbc

Know your Rights advice clinic

Bob Wearn, Society of Chiropodists & Podiatrists

10.45 *Refreshments, exhibition and poster viewing*

PLENARY SESSION

11.45 **Motivational speaker**

Jamie Andrews, Disabled Adventure Sportsman

12.15 **Bob Prince Memorial Lecture**

Surgical management of the Diabetic Foot

Dr Robert Frykberg, Associate Chair of Podiatry, Chief of Podiatric Medicine and Surgery, Phoenix, Arizona, USA

12.45 Close of conference

1.00 *Awards lunch, Royal Bath Hotel*
